Posted online at http://www.terminalannoyance.com/evanovich/evantable3.pdf. Recommendations last updated 9/29/2002, my opinions on the authors last updated 10/6/2006. Opinions: "YES" indicates that I have generally liked most/all books I've read by that author. "NO" means I didn't like the (usually one) book(s) I read from that author. "U" indicates that I had mixed feelings about the one book I read from that author, but expect to be able to determine whether or not I like the author when I read another book or two from the author. "MIX" indicates that truly have mixed feelings about the author's work – usually that I like earlier work from an author but not more recent books.
