Mystery Book Recommendations Table, Part 5:

This is the fifth part of the table with every author recommended by one of the 19 "if you like" lists, listing authors whose last names begin with S-Z. (For more information on the sources, see http://www.terminalannoyance.com/evanovich/evanintro.htm.) The table lists the author recommended, any particular books or series recommended (if available), my opinion of the author if I have read his/her books, the total number of lists that recommended the author, and then which lists recommended the author.

Posted online at http://www.terminalannoyance.com/evanovich/evantable5.pdf. Recommendations last updated 9/29/02, my opinions on the authors last updated 10/16/2005. Opinions: "YES" indicates that I have generally liked most/all books I've read by that author. "NO" means I didn't like the (usually one) book(s) I read from that author. "U" indicates that I had mixed feelings about the one book I read from that author, but expect to be able to determine whether or not I like the author when I read another book or two from the author. "MIX" indicates that truly have mixed feelings about the author's work – usually that I like earlier work from an author but not more recent books.
